

MyGolf Tour Modified Stroke Rules

1. A max of 10 shots is allowed per hole. If a player has not holed out after 10 shots they pick up and score 10 (place a circle around the score 10).
2. If the player is not on the green after 7 shots they pick up and place the ball one (1) flagstick length from the hole and allowed a further 3 putts.
3. A player is allowed 2 shots to get out of a bunker. If they are unsuccessful getting out after 2 shots place the ball on the fairway not nearer the hole.
4. If a player's ball is in heavy rough, the ball may be picked up and placed in the light rough—not on the fairway, not nearer the hole.
5. A preferred lie can be taken within 1 club length not nearer the hole when on the fairway being played.
6. If a player's ball enters a water hazard it is a 1 stroke penalty. The player can place their ball within 2 club lengths of where it entered the hazard, not nearer the hole.
7. If a player's ball is out of bounds it is a 1 stroke penalty. The player can place their ball within 2 club lengths of the fairway, not nearer the hole.
