Ronald McDonald House & West Coast Wines Pro Am 2014

The West Coast Wines Hartfield Pro Am is an annual event to raise funds for Ronald McDonald House in Perth.

Last year, \$10,000 was donated to the charity. The competition is sanctioned by the PGA of Australia. It's an individual Stableford event and you'll be playing in teams of three with a PGA professional.

You can choose to play in the morning or afternoon field and there are plenty of great prizes to be won on the course and in the charity raffle.

Last year's event was fully-booked, so get your registrations in early. Entries close 4th May 2014. And thank you for your support.
