- The scheduling of all games (either Saturday or Sunday) will be in agreeance with team captains and I encourage this to be communicated well in advance.
- The winners of this category will be the team that finishes on top of the table as no finals will be played this year.

HANDICAP CATEGORY

- Comprises 13 teams split into 3 Pools (Two with five teams and one with three teams (Sun)). As per previous years and information provided the spilt has been based on the below in order:
 1. Preferred day for play
 2. Handicap range as per nomination forms.
 3. Proximity of home club to other teams.
- Teams with a Saturday preference have been split into two "pools" Pool A (2 of 5 teams) with Pool B (1 of 3 teams) competing on Sunday and will compete in a random home and away draw.

- For **Pool A1 and A2 teams** will play home and away and note that numbers or letters have no relevance to handicap range they are simply separate pools.
- As noted in the below table for Round 6 the 1st placed team will play against the 2nd placed team as a final (1st placed team to host) and the 3rd Placed team will play against the 4th Placed team (3rd Placed team to host). As will all games the team finishing higher will host.
- For **Pool B teams** as there is only 3 teams you will play home and away (with Byes) with the team finishing on top of the table being the winner of the Pool. Note no final will be played in this Pool.
