

The season-ending invite-only awards event takes place at the prestigious Lake Karrinyup Country Club and is a great reward for our most consistent performers.

The field for this event is based off the top 15-20 players from each division of the Fuel to Go & Play TeeMates Tour Order of Merit. A player must compete in a minimum of six rounds to qualify for a divisional Order of Merit, and players can be eligible in more than one division.

Order of Merit points are awarded via a range of criteria: –

- Competitors in every division will receive at least 1 point for their involvement in an event
- All divisions will be allocated points as follows: 1st place to receive 15 points; 2nd, 14pts; 3rd, 13 pts and will continue down to 1 point. Every player from 15th place and below will be awarded 1 point
- If a tie occurs for a place, the combined place points will be added together and split evenly. Example: 11pts for 5th + 10pts for 6th =  $21/2 = 10.5$  points per player
- Points will be calculated across an average of the number of events played. Example: Player X earns 12pts, 10pts, 6pts, 14pts, 2pts, 1pt, 7pts. Their total of 52pts divided by 7 gives an average of 7.43pts
- At the completion of the calendar year's final tour event, the winner of each division will be the person with the highest points
- The Order of Merit is updated following each event. Standings are posted on the GolfWA website along with the score results for the event
