IN MEMORY OF SUE GOUNDREY

Sue initially worked as a volunteer with women's golf in particular with elite golfers. In 2000, Sue joined the staff of Women's Golf WA and continued working with GolfWA until she finished in early October 2014 due to ill health. Sue was very much the face of women's golf, often being the first point of contact in the office and was involved in a vast array of women's events over 14 ½ years. Her guidance, support and advice were appreciated by women golfers at all levels. Sue made many, many friends throughout the State and there is no doubt she is greatly missed by all who knew her. This event became the Sue Goundrey Progressive Golf Day in 2016 to remember Sue and acknowledge the work she did for women in golf in WA. Funds raised go towards assisting women with travel expenses to elite golf events.
